Visit the Lamont Gallery website to learn more about additional programs and resources in conjunction with this special exhibition.

**The Boston Printmakers**, a nonprofit organization founded in 1947, supports innovation and excellence in printmaking. The organization was founded by a group of students and faculty at the Boston Museum School and the Massachusetts College of Art and Design, and quickly grew to support printmakers nationally and internationally. Boston Printmakers hosts numerous member and student exhibitions, travel study tours, demonstrations, and lectures.
